STUDENTS' UNION

The past year has been quite interesting and enjoyable as president of the Students' Union. I'd like to think that our goal was achieved by combining effective organization and preparation with a subtle touch of foolishness.

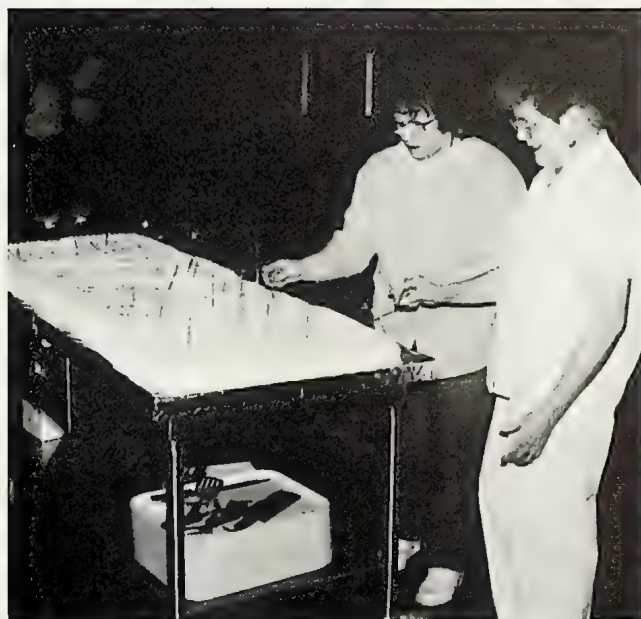

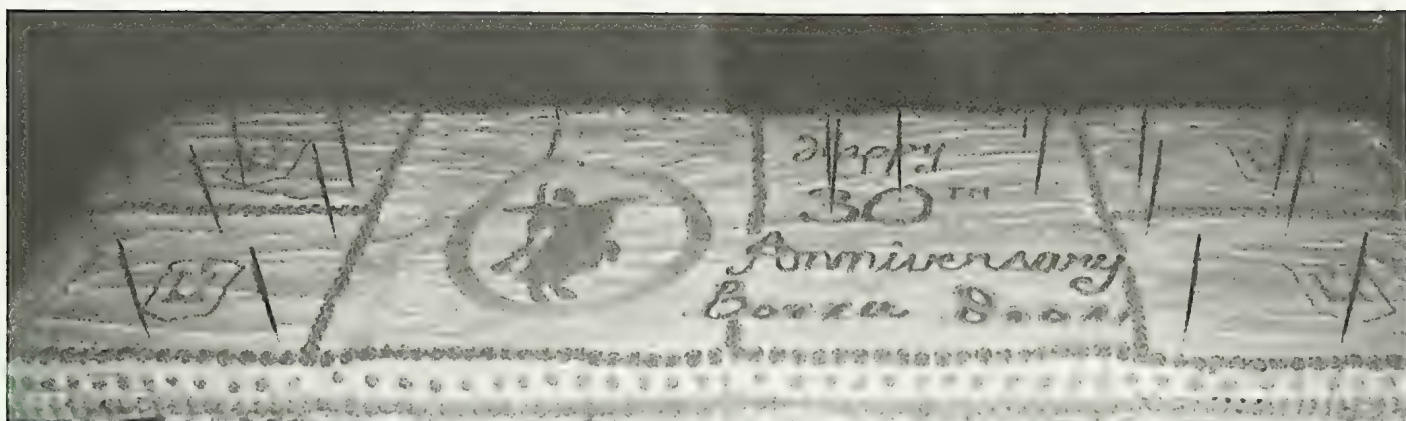

I hope that fond memories have been developed through activities such as Oktoberfest, the Christmas Dance, Touch of Class Day, Air Guitar and more. Without the participation of the students, however, these events wouldn't have been possible and I would like to thank the student body for their support.

Finally I would like to extend my appreciation to "the big guy" Mr. Luchkow, Louise Marshall and the rest of the Students' Union executive. I wish the best to all students and staff of Bonnie Doon.

President

OUR ANNIVERSARY

OUR HISTORY

Bonnie Doon Composite High School was first opened for students in the fall of 1958, with the official opening held on February 25th, 1959. In 1958 approximately 850 students attended classes from grades 8 to 12. Bonnie Doon's second year provided classes for grades 10 to 12, with the junior high students being relocated to King Edward Park, Strathearn and Holyrood. By the mid 70's the population of Bonnie Doon had grown to approximately 1800. This year at Bonnie Doon the enrollment is approximately 520 students with a teaching staff of 30.

The school building has also undergone many changes. The west wing was added in 1960. In 1964, the students petitioned Mayor Hawrelak for a swimming pool to be built at Bonnie Doon. A tunnel connecting the pool and the school was built the following year. In 1971, the three storey addition of cafeteria and kitchen, Home Economics, Industrial Education, Music and language labs was added. The cafeteria was affectionately named "Lancer's Lair".

Bonnie Doon is one of the oldest districts in the City of Edmonton. When the school was built it was named after that area of the city. The name is known to be of Scottish origin. The "Lancer" was adopted as the team name.

Green and Gold, the colors of Bonnie Doon originated with the University of Alberta, which was associated with a high school. When University High closed its doors for the last time in 1955, the staff and traditions of University High were moved to the recently vacated Old Scona High. The staff of old University High then formed the nucleus of a newly built Bonnie Doon and thus brought the traditions and colors of old University High to Bonnie Doon. It should be noted that the Edmonton Eskimos, after World War II, obtained their first uniforms from the University, also giving them the green and gold colors.

The philosophy of Bonnie Doon is expressed in our motto OPTIMUM CUIQUE - The Best For Each. This motto was adopted in the spring of 1960. The school shares its motto with the University of Illinois. At Bonnie Doon, success is taking the best of what you have and making the most of it.

Bonnie Doon has had many accomplishments over its 30 year history. In athletics, the school teams have won city championships and a few provincial championships in the following sports: football, boys' and girls' volleyball, boys and girls' basketball, girls' field hockey, curling, skiing, team handball and rugby. The music department has won a variety of competitions within Edmonton, Alberta and Canada. The drama department has staged a number of fine productions. Many academically outstanding students have graduated from Bonnie Doon.

We would like to mention a few Bonnie Doon students who have become very well-known through their accomplishments: D. Schubert - Junior national volleyball & National men's team handball, Shirley Benson - National women's team handball & first female firefighter in Edmonton, Tom Town - Edmonton Eskimos, Blake Dermott - Edmonton Eskimos, Trevor Kenard - Winnipeg Blue Bombers, Steve Dykstra - NHL: Pittsburgh Penguin (former Oiler), Tommy Chong - Cheech and Chong, Dave Rees - Broken Smile (band), Lori Assheton-Smith - Miss Teen Canada 1983, Bill Comrie - The Brick (owner), David Vaughn - David's Restaurant.

Special Note - Our receptionist, Gwen Mann, was a student at Bonnie Doon in its first year of operation and our English Department Head, Elaine Langston, was a student at Bonnie Doon in its second year.

PRINCIPAL'S MESSAGE

As we look forward to a new decade and the new exciting educational innovations that have been planned for Bonnie Doon, we should pause for a moment and reflect on what has happened at Bonnie Doon in the past 30 years.

There have been many changes over those 30 years. Bonnie Doon has gone from a school on the edge of the city, to a school in the center of the city, from a school with a large population, to a school with a low enrollment. From a small physical plant with limited programs to a large comprehensive high school offering a wide range of opportunities. The one thing that has never changed is the friendly, happy, hardworking people that make this school one of the finest in the city. Your enthusiasm and positive attitude have been commented upon over the years by many visitors to the school.

To the graduates, as you look back over the last three years, I hope that you have enjoyed your time with us and are looking forward to new and exciting endeavours. Remember, there is nothing man can't do if he believes in it and sets his mind to it. You can make a difference in the world.

To the students in grade 10 and 11, I wish you all the success in the coming year. I hope you will be actively involved in as many school activities as possible and that you will continue to show pride in the Lancer tradition.

I also hope that you will take advantage of many of the new and exciting things we have planned for 1989-90.

On behalf of all the staff and students, I would like to thank the yearbook staff and their advisors for the tremendous effort in making the 30th Anniversary Edition one that continues the Bonnie Doon Tradition of Excellence.

Finally, I would like to thank all of the staff and students for making my first full year as principal a very pleasant, enjoyable experience.

SENIOR GIRLS' VOLLEYBALL

The senior girls' volleyball team played in only one tournament this year at Jasper Place High School. The team lacked experience, but with hard work and dedication, improved greatly by the end of the season.

SENIOR GIRLS' VOLLEYBALL

VOLLEYBALL

JUNIOR

GIRLS

The girls had a successful year in that they learned lots and their skill improved. Every match was unpredictable with games often being close in the scores. Next year the girls look forward to advancing their skill and knowledge of the game.

The Senior Boys' Volleyball Team had an extremely successful season. Full of enthusiasm, the boys worked well together to fulfill the definition of a team. Playing in many tournaments, the boys gained valuable experience and had a lot of fun.

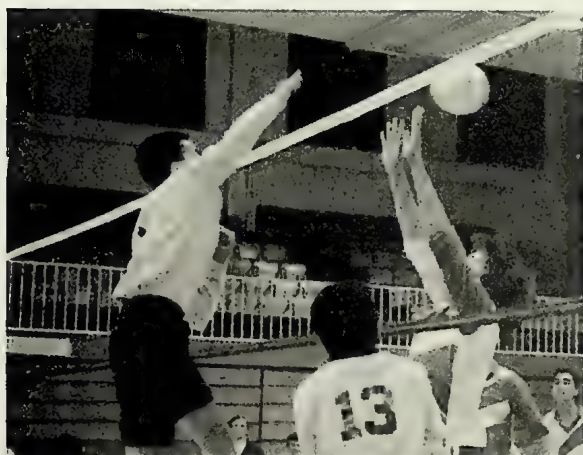

SENIOR BOYS VOLLEYBALL

JUNIOR BOYS' VOLLEYBALL

By the third week of September we had attracted nine players, sufficient to field a team, and we dove right into league play. Spirits high and skills improving, we entered the play-offs in November. The Bonnie Doon boys were able to display strong character and were victorious in becoming City Champions 88-89.

Top Row: Dave Jobst, Jason Lamouche, Darren Thomas, Ed Lengert.
Bottom: Sherry Mikesh (Manager), Marc Janisse, Yahya Falsafi, Ken Braun, Don Anderson, Mr. Gawreluk (Coach), Monica Juchem (Manager).

Back Row: Linda Schuh, Sylvie Rais, Brenda Simon, Ray Jorgenson.

Bottom Row: Jennifer Macaulay.

GIRLS' BASKETBALL

The girls' team participated in only one tournament this year. In the Capher tournament the girls were awarded the most sportsmanlike team. The girls finished the season playing hard and never giving up, even though they just missed making the play-offs.

SENIOR BOYS' BASKETBALL

This year's Senior Boys' Basketball squad marked a shift in philosophy. In previous years the team had a star, or two performers. These players played the majority of the time. However, this year the team was divided into two groups of five, both of which saw equal court time.

The highlight of our season was the three tournaments in February, during which we won six of nine games, a championship and a consolation side win. We also managed to get to the consolation side final in the C.A.P.H.E.R. Tournament losing to Leduc.

In light of the philosophy to play everyone, I feel our season was a success and a growing experience for all involved.

Back Row: Matt Mowser, Nick Johnson, Mr. Ross, Jamie Surry, Larry Weardon.
Middle Row: Jeoff Browne, Brian Stachniak, Thor Pedersen, Kevin Beaver.
Bottom Row: Chaha Keumbehdjian, Heidi Parks, Craig Shields, Tammy Korn, David Brooksher.

Back Row: Mr. Luchkow, Raj Panu, Dan Higdon, Ken Braun, Mr. Kushnir.
Middle Row: Brian Cable, Roland Pang, Danny Young, Richard Rabeeh, Teresa Kobzey (Manager).
Bottom Row: Hidechika Yokoyama, Scott Carreiro, Darren Thomas.
Missing: Jackie Truong (Manager).

This year's junior boys' basketball team was a group of 9 young and dedicated athletes interested in the game of basketball. For many of our players this was their first opportunity to play on an organized inter-school team, beginning the season with minimal skills and having to learn a team concept. Early into our season we realized our potential and set goals for the remaining season. As a coaching staff, we stressed skill improvement and working together as a team, concentrating on team defense. The boys worked extremely hard, showing persistence in our many closely fought games. The key to our team's success was their overall improvement in player skills and their positive attitudes.

BADMINTON TEAM

SKI TEAM

The Bonnie Doon Ski Team had an extremely successful season. We ran two teams of four skiers (3 male, 1 female), in the City Competition held at Connors Hill (Edmonton Ski Club). Each team had their successful moments with the team led by Marc Brenner first over-all. The first place finish was a total team effort.

Everyone did consistently very well during the season, contributing to our winning team total points. The first place finish was well earned and in the process fun was had by all. Congrats Ski Team!!

Marc Brenner, Troy Bauman, Nicole Brown, Marc Janisse, Gary Croome, Katrin Scheopf, Troy Kitlitz.
Missing: Mike Nicholson.

TEAM HANDBALL

The Handball team had a short, but successful season. Every member on the team experienced success in learning two different positions. In the play-offs they lost a close game to Queen Elizabeth.

Front Row: Ed Leung, Kori Kot, Soon Nguyen, Ms. Wasylynchuk.

Missing: Jason Lamouche, Craig Shields.

GIRLS' RUGBY

Well, Bonnie Doon Congratulations!

Together with McNally, you accomplished the first ever Bonnie Doon-McNally Senior Girls' Rugby Team. Although the Lagers never became City Champs, they should be rewarded as champions. They played a total of six games for their season. Winning the first game against Ross Shepherd 8-0. The girls lost their second game against Harry Ainlay, and then against Jasper Place. The Lagers won their last season game against Ross Shepherd 12-0. The season ended with a tournament in which they lost 8-0 against Harry Ainlay and also losing to Ross Shepherd by a penalty kick. Congratulations to all the girls who came out and participated!

Back Row: Jeni Brady, Vicki Doucette, Lorrie Henning, Shelley Hanysh, Tracy Scherger, Rhonda Yanchuk, Heather Hlus, Tammy Calihoo.

 Missing: Ben Jeske (Ass't Coach), Gary Croome, Martin Zeidler, Allan Fuller, Lincoln Arkinstall.

SENIOR BOYS' RUGBY

Wow! What a year the Seniors had. They started the season off with a fourth place finish in the prestigious Premier Level Ross Shepherd Rugby Tournament. This was just a tune-up for the team. They completed their league play undefeated. The opposition failed to score a point on them.

In the City Semifinals they were to play Bellrose, but there was no competition. In the City Finals, the Lancers met M.E. Lazerte. In a completely dominating manner they won the City Finals 31-3. The only blemish on their near perfect record season was a penalty kick by M.E. Lazerte, however no team scored a try on them. Congratulations to a great team!!!

JUNIOR RUGBY

The Junior Boys' had a very interesting season. Due to the fact that there was only one division of Junior teams, they played at the Premier Conference level.

Competition was excellent but the Juniors were determined, skilled competitors who surprised many of the larger schools (eg. Harry Ainlay) with their fierce play.

One of the highlights of the season, was a 28-6 victory over Jasper Place. This win allowed them to play in the City Semifinals. They lost to Ross Shepherd the eventual City Champions.

Congratulations on a very good season.

Back Row: Ben Jeske (Ass't Coach), Ken Braun, Brian Cable, Matt Barnes, Mike Nicholson, Jon Jeske, Troy Scherger, Jeff Mawson, Charlie Proskiw, Travis Jones, Jason Lamouche, B. Heffel (Coach).

Missing: Yahya Falsafi, Dean Swyripa, Gary Nelson (Ass't Coach).

On May 30 and 31, 14 students and 2 teachers of the Interdisciplinary Studies class participated in a well deserved field trip to Calgary and Drumheller. While in Calgary, the group toured the Glenbow Museum and the Calgary Zoo, spending the night in Calgary at the Village Park Inn. The 31st was spent in Drumheller sight-seeing and touring the Tyrrell Museum of Palaeontology. A wonderful time was had by all.

SENIOR CLASS EXECUTIVE

Back Row: Mrs. Langston, Sonja Mihelcic, Anita Kincade, Mrs. Greenhalgh, Mr. Koehler.

Front Row: Margo Oler, Heidi Parks, Carol Tabler, Dayna Morrison, Jeni Brady.

This year the Senior Class Executive was composed of Carol Tabler (President and in charge of the Ceremonies), Jeni Brady (Vice-President in charge of Banquet), Dayna Morrison (Vice-President in charge of the Tea), Anita Kincade (Secretary), Connie Zak (Treasurer), Heidi Parks (Public Relations), Margo Oler (gr. 12 rep.), and Sonja Mihelcic (Liaison with S.U.).

During the year the Executive organized a Christmas Box Social and sold Valentine carnations. As well, several Senior Class Assemblies were held.

The Senior Class Tea was in the cafeteria in early May. Entertainment was provided by Senior Class members. A high-lite was the Baby Picture Slide Show. James Brown and Kathrin Meskat served on Dayna's committee.

The Ceremonies and Banquet and Dance were held at the Convention Centre. A lot of planning and hard work went into these functions.

The Senior Class Executive can be proud of a very successful "Senior Class '89"!

SENIOR CLASS

I stand before you on this night
To be your reminiscer
Here are my notes, as you can see
So not to miss him or miss her.

And now to start this memory poem
Relax, sit back, get set
Befitting well the ordered mind
Let's use the alphabet.

Before we start, I must confess,
This could well take all-night
With apologies to those I miss
I'll choose my own highlights.

Now A's for Arndt, and Doug is one
A quiet polite fellow
If you've been round him o'er the years
You'll know he keeps life mellow.

The other Arndt is long-haired Lane
Who isn't Doug Arndt's brother
Now Lane embodies the advice
Don't judge books by their cover.

B's for Robin, we all know
Her last name it is Bray
She claims I am a chauvinist
Because of the things I say.
She often is the first to school
It seems it is her way
To primp and prep so she'll look good
So she can make Rob's Day.

C's for Karen as in Cox
Whose work is never done
The reason for this sorry plight
Is Mrs. Bererton.
Now Karen Cox works like a slave
To keep ahead of Jenny
She's doomed to failure, the poor lass
The tasks they are too many.

Now D's for Doig whose name is James
He's never been a whiner
The reason is so obvious
Her name is Kathy Kreiner.

There are no E's, so on to F
Where we find Findling, Kevin
If all of you worked half as hard
This job would seem like heaven.

F's also Al, your president
A student of great note
Who once at an assembly
Dropped drawers to get your vote.

Now G's for Gibb, Gilham and Gill
They all share the same trait
Attendance, or the lack of it
Will surely seal their fate.

H's for Haller, quite a lad
He loves an argument
And so as not to ruin the class
I'd stay with them, he went
About his study in the caf
An independent learner
And his departure left the class
Noise level just a murmur.

No "I" you say, well on to J
Travis, his last name's Jones
A tall and elegant young man
Fatigues adorned his bones.

Kosowan, Knull and Kante
Are just some of the K's
Each one has individual flare
They truly do amaze.

There's George, the jester of the class
Who daily tries to shock us
His aim is to be so bizarre
He'll next take Calculus.

Then Stacey with his caps and shoes
A multicolored vision

And if the weather isn't foul
You'll see his skateboard whizzin.

There's Irene, she's my favorite
A tall and winsome lass
She hated math with all her soul
And swore she'd never pass.
Well, pass she did on the exam
Surprising all the rest
Which only shows what can be done
If you but try your best.

Of all the L's, those that I know
Labreque, Leclercq and Larkin
The way the Cory chases gals
It's plain he should be sparkin.

Selena, Kim, on other hand
Are quiet and proper girls
Both in their way, add joy each day
A pair of perfect pearls.

Now from the M's, there are a few
I cannot mention all
I'll choose but two, and so make do
The rest you can recall.

First there is Kirk, a quiet guy
When first he graced our halls
Now he's a mover, shaker too
I hear he's attracting dolls.

Hardworking Dayna, worked on grad
She's probably worried still
Relax now Dayna, the work is done
Seek comfort from Mr. Ryll.

N's for Nipshank, an interesting guy
Who had a passion for cars
Ask Sue Holder of J. Percy Page
Wanted him locked behind bars.

O's for Oler, Olson, Osberg
As pleasant a group as you'll find
If they hadn't chosen to attend Doon
We'd really have been in a bind.

P's for Parks, Pedersen, Powless,
Phillips, Podsiedlik, Porter
Heidi's the one I owe most to
I couldn't have done without her.

Forward to R and Jeff Rudiak
For years kept me in stitches
Good sense of humour, laughs follow him
Proud parents should be busting their britches.

S's for Corey as in Sarafinichin
Reminds me of Tom Sawyer
When work is near, he leaves on the run
Saying "Off to see my lawyer."

S's for Stach, the man of steel
Who also has a brain
He'll talk Physics, Rugby, Football
About girls he'd ne'er refrain.

The T's are Tabler, Terry, Thomas,
Thompson, Thorp and Darren Thurston
Three years with Darren I've been kept in suspense
How much hair through his scalp will be burstin.

Nearing the end of the alphabet soup
Varney, Wearden, Wong, Yanchuk and Zak
Martin Zeidler, Angie Ziemann and all of the rest
It's sad you won't be coming back.

But reflection on that thought
Leads up to the next
It's not so sad after all
Get on with your lives, reminisce now and then
And remember B.D. was a ball.

And finally for those whose lives have crossed mine
I hope this does not provoke wrath
Remember the great times we had together
And remember how much you love math.

HISTORIANS' ADDRESS

Stuart Good evening ladies and gentlemen, horrid guests and mellow graduates.
Kathy No Stu, that's honored guests and fellow graduates.
Stuart Why did you write this with crayon? Tonight marks the end of our high school years and the beginning of bigger and better things for all of us.
Kathy Isn't this great? We're actually graduating. But of course it couldn't have been possible without our parents, teachers and some students - like Dayna Morrison.
Stuart Ya, did you notice Dayna found the back of her dress?
Kathy No, I didn't notice, but do you know who she's taking to grad?
Stuart No I don't know, probably her boyfriend du jour.
Kathy Back to our speech. Over the years we have participated in many strange and bizzare student union affairs.
Stuart Take the egg toss event, students and teachers exchanging yolks, and only a few casualties resulting, like Kathy's incident.
Kathy I'm really sorry Mr. Luchkow, but I'm sure the stain will come out. Or how about the phone booth stuff? I'm sure we all felt a little closer that day.
Stuart My advisor class would have won if the gargantuans, Gord Ausman and Brian Stach, didn't go in first.
Kathy Are these my absentees?
Stuart No, these are your absentees.
Kathy Oh the note says the owner of a silver car, your car is being towed.
Stuart Isn't that Carol Tabler's car?
Kathy So what else is new?
Stuart Is that your ticket du jour Carol?
clap
Kathy What's with the du jour stuff? And speaking of cars, Doug Reder got new air conditioning for summer.
Stuart Ya, free of charge.
Kathy About this time we should be presenting Bonnie Doon's third annual paper plate awards.
Stuart But Kathy and I being the individuals that we are, decided to break away from that tradition and instead copy David Letterman.
Kathy So this year we are doing Bonnie Doon's First Annual Top 10 List of why we love B.D.
Stuart #10, because we feel we are all better people for knowing and loving our friendly Continuing Ed. students - I wonder if in future years we will sit on the same side of the cafeteria.
Kathy #9, most excellent rugby team around ... and the guys' team ain't bad either.
Stuart #8, best group of L.A. Kings fans - Gretzky for pres.
Kathy #7, is most bodacious parking in the city. I found an awesome spot just off Jasper avenue. It only took me two commuter trains to get to school.
Stuart #6, we always have the best weiny roasts when the gym goes up in flames.
Kathy #5, Picasso makes his weekly trips to our school walls.
Stuart #4, most promising Indy 500 winners especially Doug Reder who wrecked two cars, amassed the national debt in tickets, and traffic violations. Oh, and Doug, the picture in the post office is pretty sharp. Back to you Kathy.
Kathy No Stu, I'm too excited. Let's skip 3 and 2 and go straight to #1.
Stuart That makes up for the ones we couldn't think of! The main #1 reason why we love BD is cause it ain't McNally.
Kathy In conclusion to our excellent speech, we would just like to sincerely thank our teachers, friends and of course our parents for making it all worthwhile.
Stuart Before we leave Darren Thurston and Early Phillips asked us to pass on this message to the grads.

Together - be excellent to animals.

VALEDICTORIAN'S ADDRESS

Teachers, Parents, Guests and Fellow Senior Class Members:

This marks the end of our high school journey. This is it. This has been the destination that we have striven for, that we have reluctantly tumbled out of bed for every morning (or almost every morning) for the last twelve years. This isn't the rehearsal like when we were in grade nine running around in \$30.00 Miami Vice suits. This is our time to say farewell to our adolescence, as we are now entering the adult zone.

Now, as we look back on the ghost of Doon past, we see us as Grade tens, marvelling at the immense grade twelves, who actually did shave. We see us wandering about the hallways like a one-eyed gopher in a cactus patch. The future did not seem so near, and the word, "post-secondary" just meant the other bar that holds up the contraption at the goal line of a rugby field.

The ghost of Doon present involves us, the senior class. The future is becoming more of a reality. Our journey through high school has come to an intersection. Some of us may head into university or a college. Some of us may proceed right into the work force. Some may return to Bonnie Doon another year. Still others have no idea yet of what they will do. It doesn't really matter. If you put your heart in it, you can succeed on whichever path you choose. A person who goes to university is not guaranteed a good job and a full life. Neither is it always true that a person who stumbles out of high school is guaranteed to have a rough life. The present is the key stepping-stone in our lives. And as long as we don't stub our toes, we should be alright.

Together, we do share a dream. We're all focussed on seeking a successful future, and as I look ahead, I can see the ghost of Doon future. Many bonds and strong friendships have been formed over the last three years, and I believe our graduation is not a separation. I see us being reunited at possibly a reunion. The memorable good times, the character building bad times, and the New York Time will not be tucked away in the backs of our minds. They will be recurring mementoes of our years at Bonnie Doon.

Whether we would like to admit it or not, our parents and teachers have provided us with a sturdy backbone. The limited population of our school allowed a certain personal relationship to develop with our teachers, and they had the time to be there when we needed them. Parents also deserve a lot of credit as they watched us grow to adulthood. I believe a well-deserved thank you should be addressed to both our parents and our teachers. As well, I would like to thank the cafeteria staff, for without their constant flow of nutritional "munchies," I may not have survived the past three years of high school.

At this time I would like to recite the words of a famous writer. I believe this captures the essence of our senior class ceremonies:

Glory days, Well, they will pass you by

Glory days, In the wink of a young girl's eye

Glory days, glory days, eh, eh, eh.

Once again, I would like to thank the parents, the teachers, my fellow graduates and the all-mighty God for getting us this far.

Congratulations my friends, and may each and every one of you reach your potential in life. And, in celebration I would just like to say oy yoi yoi!

POST-SECONDARY DAY

Questions? Questions? Should I go to the U. of A., or N.A.I.T.? What is the difference? What courses do I need? How do I apply? When are the deadlines? To help our students answer some of these questions, the Counselling Department sponsored Bonnie Doon's first ever Post-Secondary A.M. on the morning of November 30th. Five representatives from the Edmonton Post-Secondary institutions- Becky Purves (U. of A.), Michelle Leveille (Grant MacEwan), Marilyn Walz (Concordia), Hugh Becking (N.A.I.T.), and Bruce Voogd (King's College) were invited to Bonnie Doon. They did a two part presentation. The first one was a formal presentation in which each gave a 3to5 minute talk on their institution. The second presentation was an informal one at their individual booths set up in the gym, whereby students could get their own personal questions answered by the representatives. Results: a very successful event and a more informed student body.

YEARBOOK CLUB

This year's yearbook club was made up of mainly five students, (four in charge of layout and one photographer) and three teacher advisors. This year's staff were: Deannine Sagert (Editor), Doug Arndt, Janet Elford, Dawn Larkin, and Angie Summers. The much appreciated staff advisors were: Miss Ditlof, Mrs. Palchuk, and Mrs. Spillet.

Some of the fun things we participated in this year were: Having a Flea market to raise money for photography, and being interviewed for the Edmonton Sun.

We would like to thank the Staff and Students of Bonnie Doon for helping us accomplish our goal of (hopefully) making this 30th Anniversary yearbook the best yet.
